

## Snapshots, an exhibition by Eddie Mo

Friday 1 May – 12 June at Connect@Gunning  
Every Friday 10am - 3pm

**Snapshots** – is an exhibition featuring scenes of Gunning and surrounding areas. Paintings on paper, canvas and various reclaimed surfaces by local street artist Eddie Mo.

For this exhibition I have been exploring a new approach to my stencil work framing images in a polaroid printed format as if we were looking through a photo album of fond memories.
